

# Cable Retrofit Accessories

## Stand-Off Bracket (Cable Guide) Assemblies

Part #	Description	List Price	Image
4.99.0204.000	Holds 3/8" cable in place, preventing it from lashing in the wind or rubbing against the structure. Fits rungs up to 1" in size. Includes mounting hardware.	\$40	

## Universal Leg Attachment Kits for Step-Bolt Towers and Poles without Climbing Ladders

These are connection brackets that act as an interface between Tylon's standard climbing system and towers or poles that have no climbing ladder. Such structures tend to be older with step-pegs or use the tower cross-bracing as the climbing facility. Includes mounting hardware.

Part #	Description	List Price	Image
4.99.0202.600	Fits 1.5" to 11" OD round, 3" to 8" 60° or 90° angle legs, includes mounts for top and bottom of structure	\$500	
4.99.0202.601	Fits 1.5" to 11" OD round, 3" to 8" 60° or 90° angle legs, top or bottom attachment only	\$250	
4.99.0202.602	Fits 11" to 17.75" OD round, up to 10" 60° or 90° angle legs, top or bottom attachment only	\$250	
4.99.0202.605	Fits 18" to 24" OD round, up to 10" 60° or 90° angle legs, top or bottom attachment only	\$280	
4.99.0202.606	Fits 24.25" to 30" OD poles, top or bottom attachment only	\$325	
4.99.0202.607	Fits 30.25" to 36" OD poles, top or bottom attachment only	\$400	
4.99.0202.608	Fits 36.25" to 42" OD poles, top or bottom attachment only	\$425	
4.99.0202.609	Fits 42.25" to 48" OD poles, top or bottom attachment only	\$500	

## Stand-Off Universal Mount for Round Legs

Ideal for retrofitting older towers and step-bolt towers with fall arrest. Includes mounting hardware. Does not include stand-off bracket.

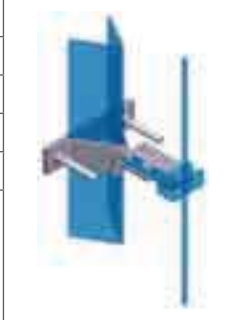

Part #	Description	List Price	Image
4.99.0202.610	Fits 1.5" to 3" OD tower legs	\$100	
4.99.0202.611	Fits 3.25" to 6.5" OD tower legs	\$120	
4.99.0202.612	Fits 6.75" to 10.625" OD tower legs	\$120	
4.99.0202.613	Fits 10.75" to 14" OD tower legs	\$130	
4.99.0202.614	Fits 16" to 18" OD tower legs	\$130	

Illustration Note: Items shown in blue are sold separately.

# Cable Retrofit Accessories

## Stand-Off Bracket Universal Mount for Angle Legs

Ideal for retrofitting older towers and step-bolt towers with fall arrest. Includes mounting hardware. Does not include stand-off bracket.

Part #	Description	List Price	Image
4.99.0202.619	Fits 2" to 3" 60° angle legs	\$66	
4.99.0202.620	Fits 4" to 5" 60° angle legs	\$66	
4.99.0202.621	Fits 6" to 8" 60° angle legs	\$66	
4.99.0202.710	Fits 2" to 4" 90° or 60° angle legs	\$66	
4.99.0202.711	Fits 5" to 6" 90° or 60° angle legs	\$77	

## Retrofit Kit for Mounting Stand-Off Brackets to Angle $\leq 1.25"$

Part #	Description	List Price	Image
4.99.0205.100	Prevents collapse at back of angle-style ladder rungs. Includes one stand-off collar, two .375" x 2.5" Gr.5 full-thread bolts, mounting hardware, and regular stand-off bracket.	\$15	

## Retrofit Stratos Stand-Off Brackets

For use when stand-off brackets must be fastened directly to angular ladder rungs greater than 1.25" diameter. Ideal for older towers that have no climbing ladders. Includes mounting hardware.

Part #	Description	List Price	Image
4.99.0204.310	Fits 1.5" x 1.5" to 2" x 2" angle	\$94	
4.99.0204.311	Fits 2.5" x 2.5" angle	\$94	
4.99.0204.312	Fits 3" x 3" angle	\$94	
4.99.0204.313	Fits 3.5" x 3.5" angle	\$94	
4.99.0204.314	Fits 4" x 4" angle	\$94	

## Universal Face Mount Kit for Guyed Towers without Climbing Ladders

Staggered holes on face of main support angles, plus backing plates with slotted holes enable adjustment for different face widths and leg diameters. Includes angles, backing plates, threaded rod, and hardware. NOTE: User is responsible for determining whether the tower or support structure meets the minimum anchorage requirements stated by OSHA/ANSI. Only use this kit with Tylon 3/8" safety climb systems.

Part #	Description	List Price	Image
4.99.0205.010	Fits any center-to-center face width from 18" to 36" and legs from 1.25" to 4" OD	\$420	
4.99.0205.015	Fits any center-to-center face width from 11.25" to 24.25" and legs from 1.25" to 3.5" OD	\$375	

Illustration Note: Items shown in blue are sold separately.

# Cable Retrofit Accessories

## Extension Bar for Safety Cable Support

Part #	Description	List Price	Image
4.99.0202.604	Enables worker to go 3' above ladder top while still attached for easier detachment from slider, and can be attached to horizontal angles up to 3" x 3".	\$240	

## Bolt Adapter Kit

Part #	Description	List Price	Image
4.99.0203.001	The Bolt Adapter Kit replaces standard bolts to fit horizontal rungs and angles up to 2" x 2". Kit includes six 0.5" x 3.5" Gr.5 bolts and two 0.5" x 4" Gr.5 bolts.	\$47	

## Wood Pole Safety Cable System

*Includes special attachment hardware for top and bottom brackets to interface with a wood pole, plus special components for intermediate cable guides.*

Part #	Description	List Price	Image
4.99.0490.020	20' Wood Pole 3/8" Safety Cable and Hardware, no Slider	\$370	
4.99.0490.030	30' Wood Pole 3/8" Safety Cable and Hardware, no Slider	\$420	
4.99.0490.050	50' Wood Pole 3/8" Safety Cable and Hardware, no Slider	\$450	
4.99.0490.100	100' Wood Pole 3/8" Safety Cable and Hardware, no Slider	\$550	

*Illustration Note: Items shown in blue are sold separately.*
